

kons MIA

pendant, wall and table lamp

filumen®

Description

MIA is convincing with multiple colours and numerous uses as a pendant, wall and table lamp. The pendant light comes with a hook and canopy. The wall lamp has a wooden knob and a textile cable with a switch. Optionally, the wall lamp can be expanded to a table lamp with the pluggable MIA base.

MINA
wall lamp

filumen®

Description

The MINA wall light with a moveable shade is particularly suitable as a glare-free reading light. The solid oak arm, untreated or black lacquered, is as honest as it is simple. The basic version has a textile cable with a switch. If a wall outlet and external circuit are planned, the power cord can also be concealed.

Shade

Fabric shade chintz (see colour chart), inside white or gold

LEA LED
 pendant & ceiling lamp

filumen®

Description

The LEA with permanently installed LED technology is available as a pendant and a ceiling lamp. The shade of the pendant version is designed with a black top and a small light gap. The ceiling lamp is mounted at a slight distance from the ceiling. Optionally, the lamps can be ordered with a matt gold inner foil. The PC diffuser on the underside can be removed without using tools. With the AC version, the cable is centrally placed. The DC version comes with steel cable suspension and an off-centre supply cable.

Shade

Fabric shade chintz, white or gold inside, (see colour chart)

Diffuser

Polycarbonate foil, suspended on underside

Supply cable

Textile cable grey, approx. 200 cm

Type of protection

IP20

Mains voltage

220-240V 50/60Hz
